

Swarfega® Powerwash Ultra Concentrate

Ultra Concentrated Multi Purpose Traffic Film Remover

PRODUCT DESCRIPTION

Powerwash Ultra Concentrate is a vehicle cleaner formulation which when added to water will make up to 25 litres of top quality, ready to use traffic film remover at minimum cost.

WHERE TO USE

Ideal for all commercial & plant vehicle types. Light to medium soiling levels.

INSTRUCTIONS FOR USE

- Pour contents into an empty 25 litre drum or chemical reservoir.
- Fill with water to make up to 25 litres of ready to use traffic film remover.
- Insert detergent feed pipe and set valve to 0.5 - 1.0% or as preferred. Do not allow product to dry onto vehicle surface. Rinse thoroughly with clean cold water working from the top down. May effect certain non-factory paint finishes; if unsure test on a small hidden area first.

FEATURES	BENEFITS
Concentrated Formula	Maximises the chemical concentration for diluting with water.
Storage	Reduces storage requirement and optimises free space.
Economical	2.5 litres of concentrate dilutes with water to make 25 litres of ready to use traffic film remover.
Prevents Scaling	Contains water softeners to help prevent scaling and help prolong equipment life.
Equipment Compatible	With all hot and cold vehicle cleaning equipment.
Silicate Free	Prevents etching of glass or damage to original paint finishes when used correctly.
Effective	Dilute to form an effective cleaning solution
