

FAST-ACTING
MULTI-PURPOSE
CLEANER &
DISINFECTANT
**WORKS IN SECONDS,
PROTECTS FOR HOURS**

At Byotrol, we recognise the value of operational efficiency, as well as the constant need to protect the health of your customers and employees.

The new patented Byotrol 4 in 1 Multi-Purpose Surface Cleaner and Disinfectant Spray combines the power and efficacy of four products into one; removing dirt and stains, neutralising odours, as well as general cleaning and speedy disinfecting.

Formulated to kill 99.99% of bacteria and viruses, including Norovirus, Influenza A (H1N1, Swine Flu), MRSA, Listeria and E.coli. Unlike traditional cleaners, Byotrol 4 in 1 Multi-Purpose Surface Cleaner and Disinfectant Spray works even when dry, protecting surfaces from bacteria between cleans.

Reducing the time spent cleaning is key to increasing operational efficiency for many businesses. Whether you're disinfecting restaurant tables or cleaning expensive gym equipment, you need a product which is highly efficacious against dirt, germs, stains and odours and yet non-hazardous and gentle on surfaces.

byotrol®

Care Homes

Maintain a healthier environment within close communities, on a variety of hard and soft surfaces while using less chemicals, more effectively.

Education & Offices

Hard working, fast acting formulation which kills bacteria in seconds, is tough on organic stains and odours, yet is gentle on surfaces and doesn't require any dilution.

Fitness

Create a pleasant and hygienic environment for staff and guests, with long lasting protection against bacteria and odours between cleans, even on frequently touched equipment and VDU's.

Food Service

Clean and sanitise restaurant tables in seconds, reducing table turn-around time, increasing efficiency.

Exceptional Antimicrobial Efficacy:

- EN 1276 (bactericidal)
- EN 1656 (bactericidal)
- EN 13697 (bactericidal, yeasticidal, fungicidal)
- EN 14349 (bactericidal)
- EN 14476 Norovirus, Rotavirus, Influenza A (H1N1, Swine Flu)
- BSI PAS2424 to demonstrate 24 hour efficacy

Added Benefits:

- Quick kill in 30 seconds even in high soil
- Unique, patented formulation
- Non-hazardous, no need to dilute
- Removes organic stains without bleach
- Neutralises odours without masking
- Leaves a fresh, clean fragrance
- Ready for use product minimises risk of misuse
- Compliant with Biocidal Products Register, CLP and Article 95

SUITABLE FOR MOST HARD SURFACES INCLUDING STAINLESS STEEL, PLASTIC, TILES, FLOORS, WALLS, DESKS, FRIGDES, SANITARY WARE, FITNESS EQUIPMENT AND VDU'S, AS WELL AS FABRIC, FURNISHINGS, CARPETS AND UPHOLSTERY.
