

Stokolan® Hand & Body

Skin Conditioning Gel

PRODUCT DESCRIPTION

A fast absorbing, easy to apply skin conditioning gel for all areas of the body to help hydrate and care for normal to dry skin. Lightly perfumed.

WHERE TO USE

For use by those with normal to dry skin from daily working in industrial, healthcare, office and commercial areas.

INSTRUCTIONS FOR USE

- Apply as needed to hands, face and body.
- Ensure skin is clean and dry before use.

After-work skin care creams help to maintain the skin in good condition keeping it strong and healthy, avoiding dryness. Using care creams is an important element in skin care best practice.

FORMAT: **GEL**

FEATURES	BENEFITS
Fast absorbing non-greasy gel	Specifically formulated for quick and easy use without leaving greasy, sticky residue on the skin.
Contains Allantoin	Supports the moisturisation effect and helps condition the skin.
Contains Glycerin	A skin moisturiser to help prevent drying and leave the skin feeling smooth after use.
Contains Creatine	Included to encourage the skin's own production of barrier lipids and support cell renewal.
Hydrates skin	Clinically proven to significantly improve skin hydration when used regularly.
ECARF Certified ¹	This product meets the European Centre for Allergy Research Foundation (ECARF) criteria for being well tolerated by sensitive skin. ecarf-siegel.org/en/about-seal .
Silicone-free	The product will have no adverse effect if in contact with surfaces prior to the application of paint or surface coatings.
Compatible with rubber production processes	Independently tested at the German Institute of Rubber Technology (DIK) and proven to have no negative effect on the vulcanisation process.

Stokolan® Hand & Body

Skin Conditioning Gel

STATUTORY REGULATIONS

This product is a cosmetic product regulated by and complying with Regulation EC No 1223/2009 (as amended) on Cosmetic Products.

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information please refer to the Safety Data Sheet which can be downloaded from www.debgroup.com/msds.

SHELF LIFE

This product has a shelf life of at least 30 months from the date of manufacture when stored unopened at room temperature. For shelf life after opening: see indication on packaging.

CERTIFICATIONS

ECARF Seal of Quality

This product meets the European Centre for Allergy Research Foundation (ECARF) criteria for skin tolerability. Cosmetics can receive the seal of quality for meeting the following criteria:

1. Quantitative risk assessment of the product ingredients with respect to their potential for skin sensitisation, taking into account their specified conditions of use and amount.
2. Medically supervised clinical trials by volunteers with atopic dermatitis.
3. Approved system of quality control management.

For more information go to <http://ecarf-siegel.org/en/about-seal>.

QUALITY ASSURANCE

SC Johnson Professional skin care products are manufactured in facilities which follow cosmetic Good Manufacturing Practice (cGMP) requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in our high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test

Independent dermatological tests conducted to assess the skin compatibility of the product using voluntary test persons in occlusive, 48 consecutive hour application models, shows the product to be non-irritating in use.

Toxicological Approval

The product has been assessed by an independent toxicologist and has been declared to be safe for use on the hands and body of adults aged 16 and above.

COMPATIBILITY TESTS

Rubber Production Process Compatibility

In testing conducted by the Deutsches Institut für Kautschuktechnologie (DIK) in accordance with DIN EN ISO/IEC 17025, the use of Stokolan® Hand & Body in rubber production process does not influence the cohesive strength of rubber.

EFFICACY TESTS

Skin Hydration Test

During a 2-week application period, the hydrating effect of Stokolan® Hand & Body was tested using 15 panellists. Results show that after one week application of Stokolan® Hand & Body, the skin hydration level had risen by 6.5% and after 2 weeks it had risen by 8.4%. Stokolan® Hand & Body enhances skin moisture content when used as directed and as part of a comprehensive skin care regime.

14 Day Skin Hydration Test
